Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Spelling-Book: A Companion to the Readers The practice, formerly almost universal, of making spelling nearly, if not entirely, an oral exercise, failed to secure proficiency in the art, since many who could readily spell whole columns of words on hearing them pronounced, would not be able to write a single sentence orthographically correct. Spelling is more easily and more accurately acquired by the eye than by the ear. Recently a most marked improvement, in this respect, is observable in our schools, and this pleasing change is mainly to be attributed to a different method of teaching, happily now very generally adopted. Intelligent and successful teachers use the reading lessons as exercises in spelling, giving out the words with which the pupil has already become acquainted, in their connection; and so soon as the learners can write on slate or paper, lessons by dictation are assigned them. It is desirable, however, as the pupil advances, that he should be taught the orthography of the more difficult and irregular words in a more systematic way, by the use of a suitable...
