

Simply Pay Attention, 2nd Edition (Paperback)

By Peter Luber

Sageous, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. For millennia we desired to believe that there was more, and for millennia someone was sure to tell us that yes, there was. but hopeful people had to take these prophets at their word. Their promise of salvation required a leap of faith. Simply Pay Attention offers an alternative to blind faith: humanity has at last shown that it is ready to explore that oft-imagined more, and there is no faith required to take that first step toward transcendence. Instead, salvation, eternal life, perfect joy, and all those other long-anticipated post-human events lie within reach of any person willing to do two simple things: pay attention, and be nice to each other. There is much to learn about the true creator of our universe, the power of thought energy, the true nature of our immortal souls. Simply Pay Attention opens the door to these, and more. There is so much more to being human than simply making it through each day. Simply Pay Attention shows you where to look for your more. the rest is up to you! 2nd Edition.
