BH Books, 2016. Paperback. Condition: New. Language: English . Brand New Book. Should we actually practice church discipline today? Is it unloving? Once an ordinary part of church life, churches gradually stopped practicing church discipline in the 20th century. But Jesus commands it. Paul practiced it. And churches benefit from it. Why practice church discipline? It shows love for the individual caught in sin, love for the whole church, love for non-Christian neighbors, and love for the glory of Christ. In the Church Basics Series, trusted church experts write practical, trustworthy resources on issues like Church Discipline, the Lord s Supper, and Baptism that every pastor can hand every church member.
