BRILLIANCE AUDIO, United States, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The bestselling V.I. Warshawski novels have dazzled readers and earned the acclaim of critics everywhere. V.I. Warshawski rules, writes Newsweek, crowning her the most engaging woman in detective fiction. Of V.I.'s creator, the Chicago Tribune says Sara Paretsky has no peer. Now Paretsky brings her incomparable storytelling brilliance to her most powerful Warshawski novel yet. Total Recall follows the Chicago P.I. on a road that winds back more than fifty years--and into an intricate maze of wartime lies, heartbreaking secrets, and harrowing retribution. For V.I., the journey begins with a national conference in downtown Chicago, where angry protesters are calling for the recovery of Holocaust assets. Replayed on the evening news is the scene of a slight man who has stood up at the conference to tell an astonishing story of a childhood shattered by the Holocaust--a story that has devastating consequences for V.I.'s cherished friend and mentor, Lotty Herschel. Lotty was a girl of nine when she emigrated from Austria to England, one of a group of children wrenched from their parents and saved from the Nazi terror just before the war broke out. Now stunningly--impossibly--it appears that someone from that long-lost past may have returned. With the help of a recovered-memory therapist, Paul Radbuka has recently learned his true identity. But is he who he claims to be? Or is he a cunning impostor who has usurped someone else's history, a history Lotty has tried to forget for over fifty years? As a frightened V.I. watches her friend unravel, she sets out to help in the only way she can: by investigating Radbuka's past. Already working on a difficult case for a poor family cheated of their life insurance, she tries...
