Ebookit.com, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Maybe you were born to Christian parents and raised as a Christian. Or maybe you are just a part of a Christian nation. You might have attended church regularly, or maybe just on special occasions. If asked, you say that you believe in God, but you really never thought about what that means exactly. You are a well-educated person who accepts the idea of Biblical miracles, but only the more reasonable ones. You have read some of the Bible, mostly just parts of the New Testament, but never committed to reading the Bible cover to cover. You are a good person who admires the many Christian values as demonstrated by Jesus Christ. But something does not feel right. \* Science tells us that the universe is 13.7 billion years old, but the Bible tells us it s 6,000 years old. \* Science tells us life is the result of emergent properties in combined molecules, and we have evolved from a very primitive life form, but the Bible says that God made us, as is, from dust, and blew life in our noses. \* You see a world where little bunnies burn to death in forest fires, and wonder why an all-good and loving God would allow such a thing to happen. \* You pray to God and you realize that sometimes your prayers are answered, and sometimes they aren t just as if you didn t pray at all. \* You hear about other religions and wonder why your religion is right and every other religion on the planet is wrong. \* You have a real problem with the idea of all your non-Jesus-believing friends and family spending eternity in Hell.? In...
