Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. p.p1 p.p2 A lot of women desire the love of a good man. From the time we are little girls we are conditioned to desire our happily ever after. Sometimes we try to force this process by conceiving children. When things don't end the way we intended sometimes we are left with feelings of bitterness toward our child's father. Bitterness and the subsequent behavior can damage relationships, especially with our children. This book will help you recognize your worth outside of a failed relationship. Baby mama drama dates as far back as Abram, Sarai and Hagar. You will see through Hagar's experience that your child is your promise, that you can still fulfill all your ambitions despite the failed relationship and that God has eternal provision and protection for your child no matter where they are right now. Through insightful revelation of the scriptures you will learn from this situation as well the author's personal experience what to do and what not to do as a baby mama. This book contains the key to having a fulfilled life in God without bitterness toward your child or your child's father.
